FOR PRESIDENT, HORATIO SEYMOUR OF NEW YORK.

FOR VICE PRESIDENT, P. BLAIR, OF MISSOURI.

Democratic Electors. JESSE D. BRIGHT, of Carroll

BOYD WINCHESTER, OF LOUISVILLM.

OR THE STATE SENATE STIR DISTRICT DR. E. D. STANDIFORD.

Halt a Louf or No Bread. The New York Sun regards the pa of its party as by no means flatt n of the election of Grant and Colfax in a straight party contest, though its in the desire that the government of the this char editor is of course altogether too practiced United State might prove a perfect success for popular tree on But as buman ricet party triumph, the Sun has put its judgment, I se all this noundanc, is tall w to work to see what can be accountile, there were those in the days of Jeffer-phished for its candidates by diplomacy, son who continded for a la tudinarian result of its labors appears in a lead-construction of the terms of the organic is not the origin ag article in its issue of the 30th, wherein. compact by which the States were formed Birrins, and that they were manufactured after a sickly attempt, bearing strong in into a Federal Union. They did not for-ternal evidences of a consciousness of the evils that might arise from their stillty of the arguments employed, to theory but, thank Heaven Thomas Jeffer- have followed the convince the Democrats that they have no chance of electing their candidates this fall, the proposition is formally made for the error of judgment, that they were contributed to the proposition is formally made for the ithdrawal of Mr Seymour, and the union sclose at no wro In departing from the and, for years and years after f the Democracy with the Republicans in strict let r of the Const' tion, itappy, "

then, we it for us for the government, and So extraordinary a proposition is not for the cause of liberty, that, as if with the made in air the way percached without exceeding caution and inspiration of a patriotic seer, Thomas ord decodated to the minimum of timidity. The Jefferson perceived the minimum of the decodated to the author evidently feared it would rather Democratic party, and of establishing a test portective according derision than meet with approbation among the opponents of his be decisively drawn between its members arry, and he therefore hastens to assure and those of other parties. Jefferson has mocracy that, in the event of their been called the father of the Democratic cality they will have the President. But Czar or Kalser has ever attained. His we give the Sun the benefit of its own was the distinguished merit of giving distinct form and outline to the true republi-can theory; and, in short, he it was who, tement of the proposition:

more than all others, contributed to the perpetuity of free institutions.

We can assure our New York conte and correctness of its principles. In the rdently long for the restoration of "peace when the great parties into which the na-They have an idea, in fact, that they are the the effort to advance the happiness of the tions and of "peace and harmony," and, people and the welfare of the nation, it was the base of "Democracy of the old Jeffer-sian and Jacksonian school," they don't would gain by substituting Grant for Sevnour as the next President of the United struction of constitutional government is a

cratic principle be adhered to, the case is ries on to offer Gov. Seymour and the Derant to be elected President, in this wise

close observance of the Constitution ha llow i that, Sun? Ailow Gov. Seymour prevalled, no way would hav been left o "be heard in regard to the measures of open for the institions attacks of the foes the new administration," when you and your of our old governmental system. They comparty from Dan to Bershebs, and from John prehend clearly enough now, in short, that German corsels. O'Groat's to Lands-end denounce him for the stadical traitors and demagogues could . All the above goods we will sell at "rebel" and everything else that is bad? never, under ench circumstances, have the very lowest prices. (ounity S if r the views of the Democratic party brought about the trial and suffering of w ic you and yours pronounce heretical the last seven years, the evils of the proonable to be "impressed accord- ent, and the still greater perits that menace ing to their intrinsic merit upon the policy to be pursued?" This is strange talk from a leading tacked organ that has for its change their merit upon the policy of the fiver. These seems understanding, and believin, none are more ready than they to a small that the Democratic elitor one who is no teas a person than Mr. party was always right, and the theory forming the basis of its principles the only prices.

I. DINGFELDER. 10 Mr. Stanton, and It would be stranger as a fe one—the ones upon the a forcem it all if the opinion advanced that Gov. of which depend for a lattions and the mour has no chance were sincere. Well, preservation of contit and liberty. We have merely to say to the Sun, in this Nothing can be mor certain that that , what it already knows very Henry Clay, Da i l We ... , and other rewell, that there is indeed a very great probacti of Gov. Seymour's being "heard in party that might be mentioned, if they let the memoures" of the incoming and lived in the cvil clay, we ill have octi-46 bet.
